Traditionally, films were recorded onto celluloid film stock through a photochemical process and then shown through a movie projector onto a large screen. Contemporary films are often fully digital through the entire process of production, distribution, and exhibition, while films recorded in a photochemical form traditionally included an analogous optical soundtrack a graphic recording of the spoken words, music and other sounds that accompany the images which runs along a portion of the film exclusively reserved for it, and is not projected.

Independent filmmaking often takes place outside Hollywood, or other major studio systems. An independent film or indie film is a film initially produced without financing or distribution from a major film studio. Creative, business and technological reasons have all contributed to the growth of the indie film scene in the late 20th and early 21st century. On the business side, the costs of big-budget studio films also lead to conservative choices in cast and crew. There is a trend in Hollywood towards co-financing over two-thirds of the films put out by Warner Bros. in 2000 were joint ventures, up from 10% in 1987.¹⁴ A hopeful director is almost never given the opportunity to get a job on a big-budget studio film unless he or she has significant industry experience in film or television. Also, the studios rarely produce films with unknown actors, particularly in lead roles.

On March 12, 2020, it was announced that the global release of A Quiet Place Part II would be delayed, based on widespread advice and policies against large gatherings and it was first rescheduled to September 4, 2020, in time for the Labor Day weekend, then to its new date of April 23, 2021 due to the continuous virus surging in the United States.⁹²⁹³ On the same day, the release of Indian film Sooryavanshi, which was initially scheduled to release

on March 24, was postponed indefinitely,⁹⁴ and the release of F9 was pushed to April 2, 2021.⁹⁶ Mulan's March 12 London premiere went ahead without a red carpet,⁹⁶ and on March 13, it was announced that the film was removed from the release calendar, but had been rescheduled for July 24, 2020, taking the release date of another Disney film Jungle Cruise and was further delayed by four weeks to August 21, 2020. With no further rescheduling options, Mulan was removed from the release calendar again.⁹⁷
